

Towards a More Inclusive Dairy Development in Tanzania

4th Dairy Development Forum (DDF) Meeting

On 6th & 7th October 2014 at Giraffe Ocean View Hotel, Dar es Salaam

Co-hosted by

Tanzania Dairy Board (TDB) – DDF Secretariat
Sokoine University of Agriculture (SUA)
International Livestock and Research Institute (ILRI)
International Centre for Tropical Agriculture (CIAT)
Land O Lakes Inc.
Heifer Project International (HPI)
SNV - The Netherlands Development Organisation
Ministry of Livestock and Fisheries Development (MLDF)
Institute for People, Innovations and Change in Organisations (PICO) Eastern Africa

Objectives of the 4th DDF

To continue to address the agenda on :

- (i) Strategies for expanding the national dairy herd:
 - **On 6th October 2014:** Task forces formed at the last DDF meet in respective groups to advance their agenda
- (i) Business solutions for year round availability of quality feeds:
 - **On 7th October 2014:** Following a scene setting presentation, the agenda on improving access to feeds, forages and related services will be addressed

What you will hear at the meeting.....

- Follow up to the agenda set at the last DDF including
 - Update on progress made by task forces addressing issues around arrangements for multiplication and delivery of dairy genetics
 - Issues to address in order to achieve year round availability of quality feeds

What we expect from you....

- Participation in facilitated sessions to continue to co-create solutions
- How you have been or will contribute to generating solutions (e.g., by joining re-constituted or new task forces)
